his having long studied at the first Medical Schools in  
England and Scotland, and from his having attended the  
practice and been a *dresser* in St. George's Hospital,  
London, and independent of the diploma of the college,  
he has Certificates of his attention and abilities from the  
most celebrated teachers of these sciences in London; he  
flatters himself he is warranted in thus following a share  
of public favor.

Mr. M. also begs leave to say that he studied the  
practical part of MIDWIFERY, at the *Mary-le-Boss*  
*Lying in Hospital*, under the superintendance of that well  
known professor, Henry Gore Clough, Esqr. M. D.

Mr. M. has brought from London with him a select  
assortment of MEDICINES, which the public may rely on  
are genuine *Poor people* who apply for advice or medicine  
will be charged as moderately as possible.
